UGSA ASM

20-23 MARCH 2019 GOLD COAST AUSTRALIA SHERATON MIRAGE

QUO VADIS?

Welcome

The local organising committee of the UroGynaecological Society of Australasia is thrilled to invite you to the beautiful Gold Coast for its 2019 Annual Scientific Meeting. Come and join us in the luxurious surroundings of the Sheraton Grand Mirage, the only absolute beachfront resort on the Gold Coast, surrounded by lush gardens and sparkling lagoons, with average daytime temperatures in March of 28C. All this and just minutes away from Sea World!

"Quo Vadis?", the tagline of our meeting, is a Latin phrase meaning "Where are you going?" In the modern era the phrase has had a varied and eclectic use. It has appeared as the name of a novel by a Nobel laureate, a movie adaptation, a Canadian death metal band, a video game, a private restaurant in London and even a song by the Australian band the Hoodoo Gurus! It has also been the title of episodes of both M.A.S.H. and E.R. We are using it as a general enquiry as to what the future might hold for us. We hope that there will be something to interest everyone within the program and you will leave stimulated, informed, and, of course, relaxed!

Prof Malcolm Frazer
ASM Chair

Dr Alex Mowat
ASM Co-Chair

International Speakers

Prof Linda Cardozo OBE (UK)

Dr Mark Slack (UK)

Dr Matthew Barber (USA)

Dr Roger Goldberg (USA)

Official Meeting Registration Website

To register, download the full 2019 UGSA ASM program and all other items relating to this meeting, visit our meeting website:

www.ivvy.com/event/UGSA19
